Above is a list of 8 of the 10 non-instructional days for 2023-2024.

- Schools will schedule the remaining two non-instructional days.
- Non-instructional time should be allocated to assessment, evaluation, and reporting - we have an informal understanding to provide teachers ½ day to complete report cards twice a year.
- Supported by the School and Classroom Support Team, teachers with specialized assignments (physical education, practical arts, fine arts, music, libraries, French, Spanish, student services, etc.) will engage in two half-day sessions on November 24 and March 15. Sessions for each discipline will be organized for either the morning or the afternoon; schedule to be communicated separately.
- Two half-days from the 10 non-instructional days should be provided to teachers for “self-directed” learning. Although, the professional learning is self-directed it should promote collaboration and networking between teachers and schools to support the priorities of the Multi-Year Strategic Plan.
- October 3 and April 12 will be dedicated to leaders operationalizing the Multi-Year Strategic Plan in schools and within Board Office teams, supported by the Senior Leadership Team. These dates will be two of the six professional learning days scheduled for educational assistants. Secretarial and custodial staff will come together for division-wide learning focused on the Multi-Year Strategic Plan.

\* The five **commonly scheduled** non-instructional days for all Winnipeg schools are: September 5, October 3, October 20, February 2, and March 15.

**\*\* Custodial staff were originally supposed to gather for learning focused on the MYSP on October 3; given that many schools are serving as polling locations, they are required on-site; another date will be organized**
