School Supplies – Grade 1

June 2026

Dear Parents,

The Louis Riel School Division recognizes that shopping for school supplies can become very expensive and time-consuming for families. Once again, the Division will be doing a **Standardized School Supplies** program for the 2026-2027 school year for grades K - 8 students.

What this means is that all basic school supplies will be provided by the school, and parents will no longer be required to purchase them. Parents can be assured that the supplies are of high quality, meet the specifications of the classroom teacher, and respect sustainable procurement practices.

In addition, we request that each family purchase a few more items. Please bring these items with you to the Opening Day Conferences.
